

**SMADC Southern Maryland Farmer Mini-Grant Program  
Criteria and Guidelines  
Grant Opens July 1 and closes August 31, 2019  
Awarded by Mid-October 2019**

**Stated Purpose:** The Southern Maryland Agricultural Development Commission (SMADC) is offering another round of mini-grants. This program is designed to assist new and beginning farmers with small start-up projects and assist existing farmers looking to diversify/expand a current agriculture project. The projects should be simple in scope and completed relatively quickly, lasting no more than one year. SMADC awards be will be up to \$2,000 per applicant, and is a one-to-one match by the farmer.

In 2016 SMADC conducted surveys, listening sessions and invited the Southern Maryland farming community to tell SMADC what it needs. The Agricultural Mini-Grant program was established based on what SMADC heard from the farming community. SMADC's mission is to support farms and the future of agriculture in Southern Maryland. We are committed to expanding and promoting a viable market-driven, sustainable, and profitable agricultural farming community.

**Examples of Projects that would be considered:** Purchase of foundation livestock, purchase of plant stock, marketing and promotion of current farm operation, fencing, hoop house, materials needed for value-added production, and on-farm upgrades to enhance food safety, per compliance with the Food Safety Modernization Act (FSMA) produce safety rule.

**Agricultural Mini-Grants may not be used for:**

- Administrative expenses, or events
- In-kind labor and matching funds from other state or federal grants
- Improvements to current infrastructure, or repairs to existing structures. unless it can be demonstrated that the improvements will expand the overall agricultural economic impact of a current farm project.

**Eligibility:**

- Applicants residing and farming in Anne Arundel, Calvert, Charles, Prince George's or St. Mary's counties. Preference is given to individual farms or farmers who apply.
- Youth (16 years and older) who are in or have been in FFA, 4-H, agricultural related programs or classes, or have a farming background are encouraged to apply.
- The applicant must match funds awarded dollar to dollar. For example, if the applicant is awarded \$500, they must put \$500 toward the project budget.
- No more than one application, per applicant during a 12-month period, with a lifetime award limit of \$6,000, whichever comes first.

**Funding:** For this round of grants (July 1 – August 31, 2019), \$30,000 of funding is available. The number of applicants may exceed the amount of funding available and therefore applications will be ranked. See “Evaluation Criteria” at the end of this document.

**Criteria for grant awards:**

- Consistent with definition of the Agricultural Mini-Grant stated purpose.
- Demonstrated ability of applicant to initiate, administer and complete project within proposed timeframe and budget.
- Matching funds are required for this grant.
- **One letter of reference from your county’s Soil Conservation District, Farm Bureau, University of Maryland Extension or Economic Development Office**
